## Student Check Off Sheet for MicroWorlds Projects

Student Name \_\_\_\_\_

- \_\_\_ Does the project have text on the page?
  
- \_\_\_ Does the project always start with a button and not a command word?
  
- \_\_\_ Does the project have motion from the turtles or turtles with costumes on?
  
- \_\_\_ Does the project set the position of objects using setpos? (set position)
  
- \_\_\_ Does the project control the turtles using seth? (set heading)
  
- \_\_\_ If the project has sound files are they of the correct length and ADD to the project and not DETRACT from the project?
  
- \_\_\_ Does the project have a "theme" or central idea which makes sense?
  
- \_\_\_ Does the project have an interesting pace?
  
- \_\_\_ Does the project run without stops and without breaks from incorrect code in the Logo Program?
